

How to Login

1. To login to your Marram account, click on the “Login” button at the top right of the page.

2. Enter your login details consisting of your registered email address and chosen password. Click Login and you will be taken to your Dashboard

A screenshot of the login form on the Marram website. The form is located below the navigation bar and is enclosed in a red rectangular box. It contains two input fields: "Username" with the value "support@marram.co.nz" and "Password" with a masked password ".....". Below the input fields are three buttons: "Login", "Forgot password", and "Create password".

3. Using the dashboard you can check your holiday bookings, healthcare requests and ballot requests.
